Ms. E. Cary Grace  
Assistant City Attorney  
City of Houston  
Legal Department

OR98-1239

Dear Ms. Grace:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 115792.

The City of Houston (the "city") received a request for a specific case file. You state that the front page information has been released to the requestor. However, you claim that the remaining information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108, the "law enforcement exception," provides in relevant part as follows:

(a) [i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of 552.021 if: (1) release of the information would interfere with the detection, investigation or prosecution of crime; [or] (2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication. . . .

Generally, a governmental body claiming an exception under section 552.108 must reasonably explain, if the information does not supply the explanation on its face, how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(a)(1), (b)(1), .301(b)(1); *see also Ex parte Pruitt*, 551 S.W.2d 706

(Tex. 1977). You explain that the homicide investigation will resume when new evidence or information becomes available. You also state that the Houston Police Department regularly reviews this case. Based upon your representations that this investigation is still pending, we find that release of the requested information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, the city may withhold the requested information from disclosure under section 552.108(a).

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied on as a previous determination regarding any other records. If you have any questions regarding this ruling, please contact our office.

Yours very truly,

June B. Harden  
Assistant Attorney General  
Open Records Division
